# Principal's Message

It is a pleasure to welcome you to our Open House. Thank you for being here tonight.

My faculty, staff, and I are grateful for the opportunity to partner with you so that your child is prepared and ready for high school and beyond. We are committed to creating a safe environment where our students achieve their highest academic and social potential. Our expectation is that **FROST** students are **F**ocused on impacting society in a positive way, **R**eady to lead in the 21st Century, **O**utstanding in both academics and citizenship, **S**upportive of their fellow students, and **T**eam players who believe team work leads to success.

We hope your visit to our classrooms will give you a glimpse of all the hard work and effort by our students and faculty during the school year. Should you have any questions or concerns, please do not hesitate to contact us.

Best,  
Elmer Choe  
Principal
